CHARACTERISTICS

Cartridge Spare Parts **ZZ95409000**

35 mm Cartridge

EcoStop

EcoStop feature limits water flow to approximately 50% of maximum output with one point of resistance on setting. Push slightly past the middle stop only when full water output is required. This will save water up to 50%.

DeviaStop

The Cisal Devia Stop technology allows to adjust the water flow and to direct it to the selected output point (overhead soaker, hand shower, etc).
